3.1 UI Overview and Terminology

Welcome to the **Learning Design Studio (LDS)**! Starting with this chapter, you will begin exploring the LDS interface and features to create your own learning design.

Main User Interface Overview

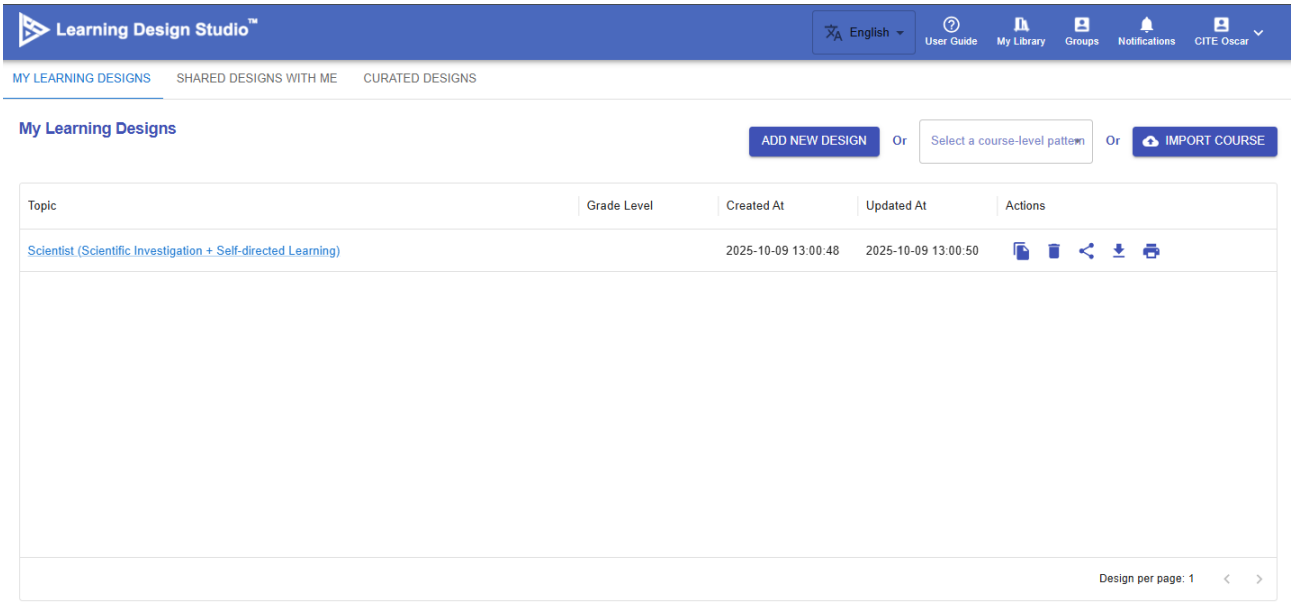

Figure 3.1: Main User Interface

The main navigation items are summarized in the table below. You can find more detailed instructions for each feature in the specific tutorial chapters.

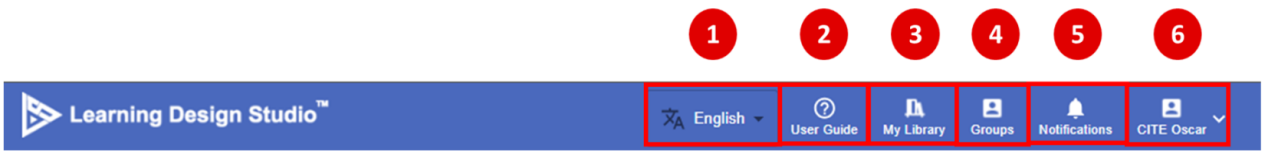

Figure 3.2: Navigation

Item	Description	Tutorial
1. Languages	The LDS currently supports English, Traditional Chinese, and Simplified Chinese.	N/A

2. User Guide	A simple navigation to the LDS.	N/A
3. My Library	You can access and manage your learning designs in one place. Create new designs, edit existing ones, and easily view designs shared with you by others.	Ch 4-9
4. Groups	You can create groups for your school or organization, invite members to join, and collaboratively share and co-create learning designs.	Ch 10
5. Notifications	You will receive a notification when there are important updates or invitations from the group.	N/A
6. Profile	You can update your email address and display name in the LDS.	N/A

Learning Design Interface Overview

When you enter the Learning Design section, the user interface is divided into three panels:

- **Left panel:** Navigation menu
- **Middle panel:** Main interface
- **Right panel:** Learning Design Facilitator (LDF) and Information Window

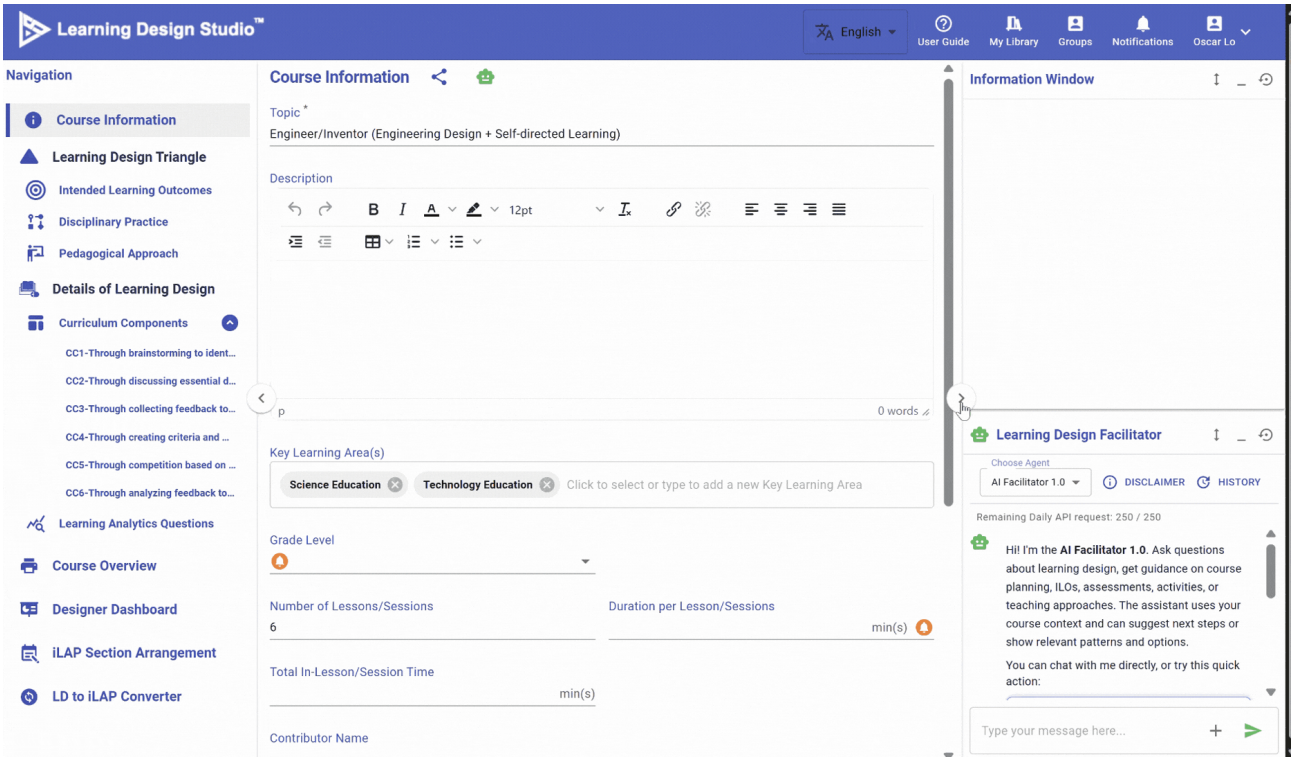

Figure 3.3 Panel-Based Interface

You can drag the edge of a panel to resize it, or click the  button to collapse or expand the panel.
