

7.1 Reviewing the Course Overview

The Course Overview section provides a one-page summary of your learning design.

The screenshot displays the Learning Design Studio interface. The top navigation bar includes the logo, language settings (English), and user profile (Oscar). The left sidebar contains a 'Navigation' menu with categories like 'Course Information', 'Learning Design Triangle', 'Details of Learning Design', and 'Designer Dashboard'. The 'Course Overview' option is highlighted with a red box. The main content area shows the course title 'Designing for the Wise' with a 'PRINT' button. Below this is a 'Quick Navigation' section with links for 'COURSE INFORMATION', 'INTENDED LEARNING OUTCOMES', 'DISCIPLINARY PRACTICE', 'PEDAGOGICAL APPROACH', 'CURRICULUM COMPONENTS', and 'LESSONS'. The 'Course Information' section includes a table with the following data:

Topic	Grade Level
Designing for the Wise	P6

Number of Lessons	Duration per Lesson	Total In-Lesson Time
14	35 min(s)	490 min(s)

The 'Key Learning Area(s)' section lists 'Science Education' and 'Technology Education'. The 'Description' section states: 'Designing for the Wise is an interactive course where you'll discover how to create innovative, user-centered solutions for the elderly. Learn to empathize with the unique challenges the elderly face, apply design thinking processes, and develop practical prototypes that make a real difference. Join us to blend creativity and care as you design a better world for the wise!'

The 'Contributor Name' is IDEALS Admin and the 'Contributor Affiliation' is IDFAI S Partner School.
